From Inspiration to Creation: Inspiration can be found in everything, every time, everywhere. How can we allow ourselves to be open to possibilities? How can we embrace newness and make it become our own creation? Join the creative experts in this motivational and inspirational journey that will transform the way you look at your work, your business and yourself.

Colors of the Islands of Tahiti: Featuring MARTA ROBAK, three times European Champion Avant-Garde Hair Color. Marta is a master of color, her work is simply marvelous. The heavenly colors of the polynesian islands are the inspiration for this magical hair collection, brilliantly executed using Kaaral's own Maraes color nourishing line.

Best Ever Blondes: Sizzling blondes, creamy toffees, pale titian blondes, soft pastel greys. This experience has it all. Gone is hair color that's flat, dull, brassy and here come the gleaming Best Ever Blondes with multi tones and shine. Experience creative placement of color and interesting choice of unusual tones. Take the new blondes back to your salon and become the blonde expert in your area.

The Perfect Updo: Runways, red carpet, movie stars, music icons . . . Updos are everywhere but these are not your mother's updo. Sophisticated and 'undone' looks, they scream sexiness and confidence. Take the fear away with this hands on experience and learn how to twist, build volume, place hair, so as to achieve sexy, modern, beautiful looks every time.

International Trend: Every year Kaaral uses the mind provoking influences derived from our Italian heritage to inspire stylists all around the world. Fashion, design, art, architecture and the fabulous lifestyle of the most influential Italian people, are just some of the inspirational platforms that our International Artists use to create new progressive looks. Be inspired by an infinite palette of colors, progressive color techniques and placement and signature haircuts. Enjoy the most current interpretation of world beauty.
